*“Education is an ornament in prosperity and  
a refuge in adversity”  
– Aristotle*

S.E.S. College has been educating the youth of the rural areas in the vicinities of Sreekandapuram since 1981 and still continues its legacy as the rock of Gibraltar in the field of higher education. While crossing each milestone, it has strived hard to not to lose its feisty and spunk in enabling the youngsters to be better citizens and good human beings. And the college earned recognition through the NAAC accreditation that it received in 2016
