

SES College Sreekanthapuram

Anti Drug Club Activities Report

Aunti Drugs Club SES College Sreekandapuram

Substance abuse has become an alarming health crisis on college campuses across the nation. Considering the issue in the present scenario, SES College Sreekandapuram in association with Excise Department and (COTP) Act 2003, extended the activities of Anti- drug Club on October, 2016. The club was initiated to prevent substance abuse - addictive behaviours in the campus.

The college anti-drug cell has been constituted to ensure a drug- free campus by imposing a total ban on the possession or consumption or use of drugs and alcohol by students of the college, within or outside the campus.

The duties of the anti-drugs club include organizing awareness programmes in the college with the help of Excise Department. Educating the students about the ill-effects of drugs and alcohol, encouraging peer policing among students against the use of drugs and reporting of any noticed use of drugs by the students to the student's affairs committee are also the duties of the anti-drugs cell.

Smt. Sunitha Joseph, Asst. Prof. Department of Economics is the co- ordinator of the club. The centre provides guidance to enable the students to keep away from drugs.

“Be proud to be drug-free.”

Mission

- To spread awareness to ensure a drug/ substance free campus.
- To engage the students in anti- drug activities
- Motivate students to become volunteers of anti-drug activities in their life.
- Ensure no sale of drugs or alcohol in college premises.

Vision

Purify and strengthen the personality through guidance against Drugs

“DEAD spells out Drugs End All Dreams.”

Anti drug club Formation

The anti drug Club of SES College Sreekandapuram was formed to make awareness against drugs among students. As a preliminary step, Smt. Sunitha Joseph, Asst. Professor of Economics as the Convenor, enrolled 22 student members who possessed an inherent interest to work for the anti drug programme activities in spite of belonging to varied disciplines. Till date the Club held different programmes in the college campus.

Anti drug club Activities 2017-18

Anti Drugs awareness class (22-3-2018)

The awareness class against the dangers of drugs was organized in the campus on 22nd march 2018 under the auspicious of Anti Drugs clubs in the college. Sri Pardeep Malooth, president National Forum for people's Right (NFPR) gave the awareness class to the students. The objectives of this Programme is to prevent youth from using illicit drugs by enhancing their awareness and understanding of the harmful social and health effects of illicit drug use.

By the programme the students were aware of the effective treatment and rehabilitation systems and services that were provided by the organization. On the occasion all the students had taken the pledge that they will never use any kind of drugs or substance in their life.

Anti Drugs Exhibition

Anti drugs exhibition was conducted in the college campus on the same day in order to provide awareness to the students against drugs. The students actively participated in the programme.

Anti drug club Activities 2018-19

Anti Drugs awareness class (02-02-2019)

The programme conducted in the campus in association with NFPR (National Forum For Peoples Right). The awareness class against the dangers of drugs was organized in the campus. Principal Dr. Dominic Thomas presided over the function and Sri. P P Janarthanan, Exercise department Sreekandapuram inaugurated the function. In his motivational and inspiring class he illustrated that despite substantial attention to misuse of alcohol among college students, less is known about drug use on college campuses and the students should be aware of the dangers of drug abuse.

Sri. P P Janarthanan, Exercise department Sreekandapuram inaugurated the function.

Sri Pardeep Malooth gave the awareness class on the ill-effects of drug and alcohol consumption, in a comprehensive manner. Sri Pardeep Malooth, in his

motivational speech, informed that a report by the central government demonstrated that the vast majority of youth are receiving drug and alcohol prevention messages from sources such as TV, radio, posters and pamphlets, Movie ads and campaigns as this. Furthermore, the report on its special analysis showed that those who have been exposed to such messages are significantly less likely to abuse drugs.

Sri Pardeep Malooth conducts the awareness class

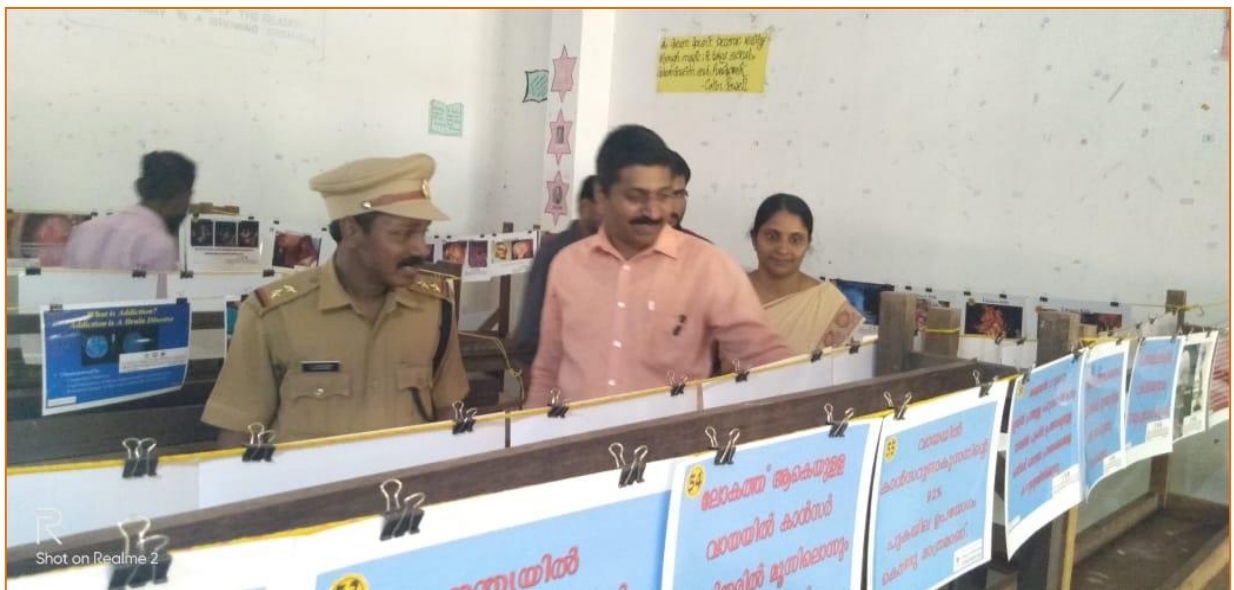

Anti Drugs Exhibition

The anti drug Club of SES College Sreekandapuram arranged an anti drugs exhibition in the college campus to develop the insight into anti drugs awareness

The activities of this club are planned to augment the output of the members of the club and thereby imparting these values to the student community as a whole. The students actively participated in the programme.

On the day of exhibition

The abuse of alcohol and illicit drugs continues to be a major health problem internationally. Prevention of substance abuse among adolescents requires awareness and exhibition that was conducted in the college helped a lot to make awareness about drugs among students.

Anti drug club Activities 2019-20

Anti Drugs awareness class (16-12-2019)

An antidrug campaign was conducted in the campus to create awareness about the harmful effects of drug usage. This program is arranged in corporation with 'vimukthi'-an awareness program by Kerala State Excise Department.

College principal Dr. Dominic Thomas presided over the meeting. The main attraction of the programme was the solo act play which gave awareness about the ill effect of drug.

The chief-guest, State excise commissioner, Mr. Saji V V inaugurated the function and interacted with the students about the importance of campus community to prevent alcohol and drug related incidents. An awareness class against drug abuse

was given to the students. Students were advocated to stand against alcohol and drugs by explaining the harmful effects of drug usage. A pledge against drug usage is taken by students.

Mr. Shaji V V conduct the awareness class

Solo Act Play

Solo act play expressing the dangerous of drugs in the society was performed by Mr. Prabunath P C, exercise officer on the occasion.

Solo Act Play

The solo act play gave the message that, young people experimenting with drugs and alcohol are nothing new; however, social networking sites are offering new and dangerous opportunities for adolescents to be exposed to drugs. Teens are uniquely vulnerable to the effects of what they see on social media, as this age group is highly susceptible to peer influences and pressure.

SES College Sreekandapuram

The abuse of alcohol and drugs has resulted in significant morbidity and mortality among adolescents worldwide. Many of these youth will lose their lives to drugs and alcohol and a significant number are likely to grow up to become problem drug users. The substance abuse problem is complex and large in colleges and interventions can decrease adolescent substance abuse rates.
