The Programme was started during the year 2014-15. The Programme covers 60 students including the two batches. The internal mentoring session was a way to identify the strengths and weaknesses of mentees. Proper guidance has been given to the mentees for their success in academic matters and in society life. It was very helpful for developing communication skills and for attending competitive examinations and interviews. The internal mentor met their mentees to know them personally and in groups to improve the interpersonal relations.
