

SES COLLEGE SREEKANDAPURAM

ANTI RAGGING COMMITTEE

ANNUAL REPORT 2020-21

Ragging is a disgraceful and criminal offence as declared by the Supreme Court of India. S.E.S College has been successful in creating a ragging free campus with its zero tolerance with the dehumanising deed of ragging. Our College put efforts in fostering a tuneful relationship amongst its students and strictly condemns ragging. We have an anti ragging cell which comprises staff members. The students are sensitized on the ill effects of ragging and the legal proceedings in curbing the practice. Awareness is created via orientation programmes in the first semester as well as before the commencement of each academic year. The hostel too is under strict vigilance and we ensure that students learn to respect and accept peers beyond differences of any kind. The community at large and the students in particular is aware of the dehumanizing effect of ragging and the approach of the institution towards those indulging in ragging is worth mentioning. Posters are displayed at vulnerable places and some of such posters is of permanent nature .

Our 'Code of Conduct' clearly mentions our anti ragging policy. An undertaking is collected at the time of admission to keep oneself away from the heinous act of ragging. All the admission related documents also encode our strict adherence to anti ragging policy.

Freshers day celebration is also promoted to create and strengthen the bond between seniors and juniors .

On 19th November 2020 a webinar was conducted for SES college student community along with the induction programme to make them aware about their rights, why ragging is a criminal offense and where to report in case of any incidents. The session was handled by Mr. Y Vinod Kumar, Section officer Kannur University.

No incidents of ragging were reported in the academic year 2020-21.
