Department of Chemistry

2019-20

The International Plastic Bag Free Day was celebrated by organizing a campaign on plastic scavengers on 3rd July, 2019. Also, conducted poster presentation on the health and environmental consequences of plastic uses. We all had put efforts to bring out the aim of green campus. It's been a matter of great compliments that we distributed cloth bags to all departments of our college.

International Year of Periodic Table was celebrated on 05th August, 2019 by conducting chemistry fest named **Quimica 2019**. In connection with this, we conducted a number of competitions like powerpoint presentation, puzzle, chem quiz, *etc.* and different students from various colleges across Kannur, signed their active participation in it. We congratulated the winners with prize money and certificates. In addition to this we arranged a chemistry reaction corner. Students actively participated in this and in the game hub. We also conducted a food fest in which we served delicious items. Overall, it was an overwhelming experience for all of us.

Dr. Rajeesh P., Assistant Professor, Department of Chemistry, Nehru Arts and Science College, Kanhangad had inaugurated the chemistry association on 03rd February, 2020. The ceremony had a more live chemistry touch by having Dr. Rajeesh's lecture on the topic "A Peep in to the World of Nano Science".
