

Department of Mathematics

2019-2020

Certificate course

The department of Mathematics S.E.S college Sreekandapuram arranged a Certificate course “An introduction to LATEX” inaugurated by Principle Dr.Dominic Thomas on 03/07/2019. The main objective of the course is Typesetting of complex mathematical formulae. LATEX is a document preparation system for high quality typesetting, which is preferably used for technical /scientific papers writing for journals by researchers , engineers and mathematicians at large . The typesetting system offers programmable writing features and extensive facilities for automating most aspects of typesetting. The course offered for III year Mathematics students

Power point Presentation

BSc Mathematics III year students Present a Programme “Power point Presentation”. They were divided to six group and each group had there on power points are presentation on the topic Basic Mathematics.

Alumni meeting

An Alumni meet was held on 12/09/2019 to past students department of mathematics. It was a great event. They share there past experience and currant situations in the path of there career. Teachers were very glad seen there students. The concept of alumni association evolved for needs from both the ends, i.e. academicians and professionals, in the aim of building a bridge between college life and career life.

Tesseract

The department conducted two days Mathematics Fest Named “Tesseract” .It was inaugurated by Dr.Easwaran Nambuthi, HOD Department of Mathematics Govt,Brennen college Thalassery . The following are the programmes under **Tesseract**.

- Seminar- “**Linear algebra of Function spaces**”
- Film show -”**The genius of Srinivasa ramanujan** ”
- **Big Trig** - Treasure hunt ,college level game
- **Aviyal**- food fest was conducted students came up with Varity of food and it was grate seen to such a rush.
- **Sincasta** - Exhibition of varies models and charts and book sales
- **Quiz competition** - Intercollegiate
- **Spot event**- Simple mathematical games and puzzles
- **Explore your selfie**- photo contest

A visit to old age home

Department organise to visit an old age home “**Karunalayam**“, **Chemperry**. The main aim of this activity was to create a humanitarian consideration among the students.

On 7th February 2020 BSc Mathematics III year students visited “**Karunalayam**” chemperry under the guidance of Teachers in mathematics department. handed over an amount collected from the programme “Tesseract” . The inmates shared their stories and gave advice to students. Students presented cultural programmes for the inmates to entertain and they experienced quality and humanity through the visit .
