## ADDITIONAL SKILL ACQUISITION PROGRAMME

### 2016-2017

ASAP foundation course started in the final sem of the academic year 2016-2017 with a batch of 25 students and a trainer allotted to them by the skill development center. Enrolled students were given sessions on communicative, IT and one vocational skill. The modules of the ASAP syllabus also aim to bring about an all round development in the students by engaging them in different manoeuvres possible. Students have to organise and participate in different tasks, which in fact take them out of the inherent inhibitions of our student community. The students under the forum made far confident through the process. The project which is designed to equip the students with the essential skills to adapt and adept to the rapidly changing world and the scheme proved highly effective with the changes it did instill in students. The skill course for the batch was Travel and tourism.
