## 'Embryo' Screening of Productions

2/08/2023

The Communication and Journalism Department organized a special program titled 'Embryo,' featuring the screening of student production works on August 2, 2023. The event was held in the seminar hall, where all teachers and first-year UG students gathered to enjoy the creative outputs of MAJMC students.

The program was inaugurated by the Principal, Dr. Dominic Thomas. Deepu Jose K, the Head of the Department, delivered presidential address and explained the purpose and significance of the 'Embryo' program. Dr. Sajesh T.J., the IQAC Coordinator, delivered the felicitation address. Previn P.F., a faculty member from the department, delivered the welcome speech.

The highlight of the event was the screening of various student production works. These productions showcased the talent, creativity and technical skills of the MA Journalism and Mass Communication students. The audience, comprising faculty members and first-year students, thoroughly enjoyed the diverse array of films and projects presented.

## Session: Opportunities in the Digital Era in Journalism

19/09/2023

The Communication and Journalism Department hosted an insightful session on September 19, 2023, titled "Opportunities in the Digital Era in the Field of Journalism." The session was led by Abijith K K, a distinguished alumnus from the pass out batch who is currently working at Deepaka Daily, one of the leading newspapers in Kerala.

Abijith's session focused on the myriad opportunities that have emerged in journalism due to the digital revolution. Abijith began by discussing the digital transformation of traditional media. He explained how newspapers, television, and radio have adapted to the digital age by integrating online platforms, social media and multimedia content. The session concluded with a discussion on the various career opportunities available in the digital journalism field. After the presentation, Abijith engaged with the students in an interactive Q&A session. Students asked questions about the practical aspects of digital journalism, challenges faced by journalists in the digital era and the prospects of the field. Abijith's insightful responses and practical advice were well-received by the attendees.

## Visit to Radio Mango

11/10/2023

Students from the Communication and Journalism Department were selected to visit Radio Mango.

On October 11, 2023, they visited Radio Mango from 10 AM to 2 PM. This visit aimed to provide students with a practical understanding of radio broadcasting and production.

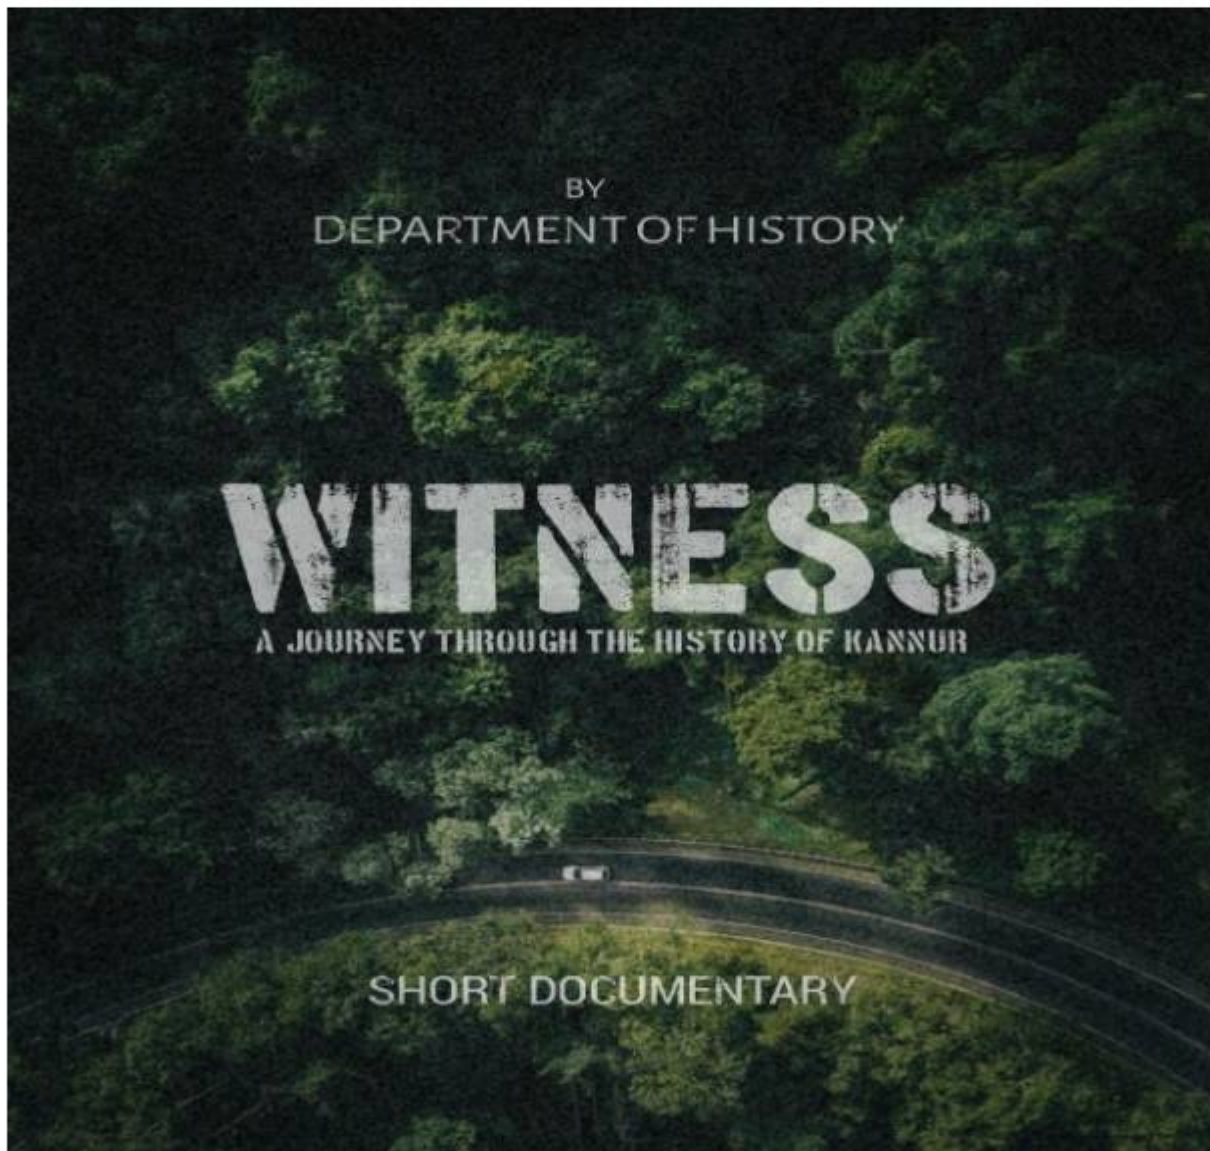

The following students participated in the visit:

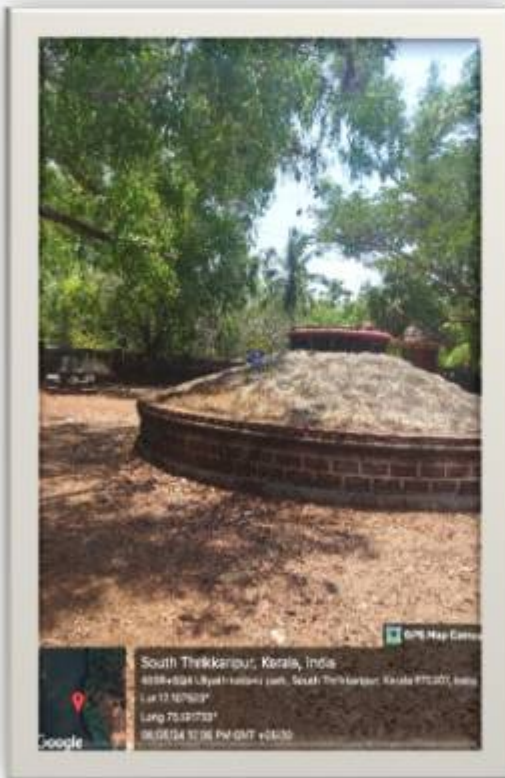

Marya Kuriakose, Anjali Krishnan, Najma Nazar, Ashrya V, Lijitha M and Arika K.

The visit began with an engaging discussion with the Radio Jockeys (RJs) of Radio Mango. The RJs shared their experiences, challenges and insights into the world of radio broadcasting. The technical staff explained the processes involved in ensuring high-quality audio output and the importance of maintaining technical precision. A highlight of the visit was a talk show program hosted by one of the RJs, in which the students participated. They experienced firsthand how a live talk show is conducted, including the preparation, scripting and on-air dynamics. This interactive session allowed students to understand the flow of a live broadcast and the spontaneity required in such settings.

# **2023-24 DEPARTMENT OF HISTORY ACADEMIC EXTENSION ANNUAL REPORT**

The Department of History undertook the initiative of documenting the Cultural heritage of Kannur in the name of 'WITNESS : A JOURNEY THROUGH THE HISTORY OF KANNUR' as the Academic Extension Activity of the Department of 2023-24. The aim of the initiative is to create a Video Documentary of the historical and cultural centres of Kannur. As the first stage, data were collected and in the second stage the documentary will be produced. The following 1<sup>st</sup> B.A. English students were involved in the data collection : Jinan C.K., Fathimathul Fidha K.P., Nasweetha Abdusalam, Aswathi K., Sreenanda O., Thejas P., Fathimathu Shahana M., Muhammed Afsal S.P., Anagha P.P., Sana and Shahana K.

## **BACKGROUND**

Model Residential School, Pattuvam is located in the Taliparamba block of Kannur district and caters to students from grades 5 to 12. The school is exclusively for boys and does not have an attached pre-primary section.

### **Thrive programme**

The THRIVE (Tribal Higher Education and Interactive Ventures for Excellence) programme is designed to ignite the aspirations and career goals of tribal students in Model Residential School, Pattuvam and to provide them with opportunities for growth and development. This programme focuses on delivering high-quality, relevant, and interactive educational content with the help of nearby colleges, NGOs and other institutions. Through virtual classrooms and hands-on learning experiences, students will develop the skills and knowledge needed to succeed in the modern workforce.

## Objectives

1. To increase the students' interest in academics and help them develop a love for learning.
2. To provide students with a clear understanding of their career goals and help them make informed decisions about their future.
3. To bridge the gap between education and the real world, and provide students with a comprehensive and well-rounded education that will prepare them for the challenges of the future.

## Stakeholders

Model Residential School, Pattuvam , ITDP Kannur , Unnath Bharat Abhiyan Participating Institutes in the District ,Other Nearby Colleges , Interested NGOs , Sasthra Sahithya Parishath, Kannur Target group: 8th, 9th, and 10th standard students in the school

Time Period: February 2023 to February 2024

# Introduction

The first session of Thrive – 2023 was held at 12/08/2023 at Model Residency School – Pattuvam by the Students of SES College Sreekandapuram with the goal of providing the kids Career Guidance and Ice Breaking Challenges for helping them view things in a different light.

We were in charge of students of standard VIII & IX. We divided our group into 2 teams. As soon as we reached both the teams met their students. We made them into 5 groups and each group had one of us and conducted a 10 minutes interaction period. This helped us to give priority to every student and we were able to get deep information about them. After introduction, making sure they are comfortable and free between us both the teams along with their students went to 2 different auditoriums and started ice breaking activities

Members : [Group 1 – J Surya Narayan Murthy, Ashtami Chandran, Sreelakshmi P V, Shamila K K, Vibishna Babu] [Group 2 – Ananyaj C, Haripriya Krishnan, Sreya K V, Jyothima, Vismaya Vijayan]

## Sweet Share

We provided sweets to every student and were said to have their sweet without touching by making them sit opposite to each other. The aim was to help them know the concept of helping each other. The game was complete when they feed each other.

## Language Class

We provided the students with a language class. They also requested for the class. We wined up the session with english classes and went out for group photo after collecting the feedback from students.

## Music Time

We spend the last Minutes of the session with music and dance. We along with students danced and sang with them.

# THRIVE CAMP

26/01/2024 to 28/01/2024

## Participation in THRIVE volunteer Capacity Building Workhop

The NSS volunteers of SES college participated in the THRIVE volunteer Capacity Building Workhop jointly organized by the District Administration ,Kannur, the Directorate of Samoohika Sannadhasena and Kerala Youth Leaderhip Academy( KYLA) from 26<sup>th</sup> to 28<sup>th</sup> January 2024 at sargaalaya Kerala Arts &Crafts village,Vadakara.10 volunteers attended this programme

## CONNECTING SCIENCE TO SOCIETY (ACADEMIC EXTENSION ACTIVITY)

We have organized a Chemistry exhibition for students Govt Modern Residential School for Boys on 21<sup>st</sup> October 2023. The exhibition included familiarizing fantasies behind Chemistry, familiarizing history of atoms, magical experiments in chemistry etc. The students found the programme interesting and knowledgeable. Participants ~ 30 students & 14 coordinating students.

## SELECTION OF BEST STUDENT- TEACHER (2023-24)

The selection of best student- teacher in the department of Chemistry for the academic year 2023-24 was conducted on 25<sup>th</sup> March 2024 for the improvement and recognition of the teaching skills of the students. The programme was held at 1.30pm. Devika M K of 3<sup>rd</sup> BSc Chemistry was selected as the Best Student-Teacher. Participants ~21
