Substance abuse has become an alarming health crisis on college campuses across the nation. Considering the issue in the present scenario, SES College Sreekandapuram in association with Excise Department and (COTP) Act 2003, extended the activities of Anti- drug Club on October, 2016. ## SKILL- ENHANCEMENT PROGRAMME

As part of developing ICT skills among students, the department organized seminar presentations by students on 13-11-2023. Seminar presentations supported by ICT provide students with a valuable opportunity to develop essential skills, enhance their learning experience, and prepare them for future academic and professional endeavors. It encourages creativity, collaboration, and effective communication, making it a valuable educational tool in modern learning environments. ICT tools such as PowerPoint or Prezi enable students to create visually appealing slides that support their verbal presentation. ICT allows students to integrate multimedia elements such as images, videos, and audio clips into their presentations.
