Substance abuse has become an alarming health crisis on college campuses across the nation. Considering the issue in the present scenario, SES College Sreekandapuram in association with Excise Department and (COTP) Act 2003, extended the activities of Anti- drug Club on October, 2016. The club was initiated to prevent substance abuse - addictive behaviours in the campus.

The college anti-drug cell has been constituted to ensure a drug- free campus by imposing a total ban on the possession or consumption or use of drugs and alcohol by students of the college, within or outside the campus.

The duties of the anti-drugs club include organizing awareness programmes in the college with the help of Excise Department. Educating the students about the ill-effects of drugs and alcohol, encouraging peer policing among students against the use of drugs and reporting of any noticed use of drugs by the students to the student's affairs committee are also the duties of the anti-drugs cell.

Dr. Sunitha Joseph, Asst. Prof. Department of Economics is the co-ordinator of the club. The Centre provides guidance to enable the students to keep away from drugs.

"Be proud to be drug-free."
