

DEPARTMENT OF HISTORY ACADEMIC EXTENSION ANNUAL

REPORT- 2024-25

The Department of History has organized an Academic Extension Activity on January 10, 2025, screening of a historical documentary, "WITNESS: A JOURNEY THROUGH THE HISTORY OF KANNUR." This initiative aimed to offer students an engaging visual experience of the rich historical and cultural heritage of Kannur through its prominent historical monuments. The documentary was created with the collaborative efforts of students from the Department of English and the Department of Economics, showcasing interdisciplinary teamwork and creative involvement.

The programme was inaugurated and the documentary was released by Dr. Reena Sebastian, Principal, SES College. The Presidential Address was delivered by Dr. Nasreena P. K., (Head of the Department of History). An overview of the documentary was presented by Nasweeha Abdusalam, a second-year B.A. English student. Felicitation speeches were delivered by Dr. Seena P. P. (NAAC Co-ordinator), Dr. Sunitha Joseph (Assistant Professor, Department of Economics), Smt. Shyna Janardhanan (Head of the Department of English) and Adharsh J. U., second-year student representative. The programme concluded with the Vote of Thanks delivered by Thejas P, a second-year B.A. English student.

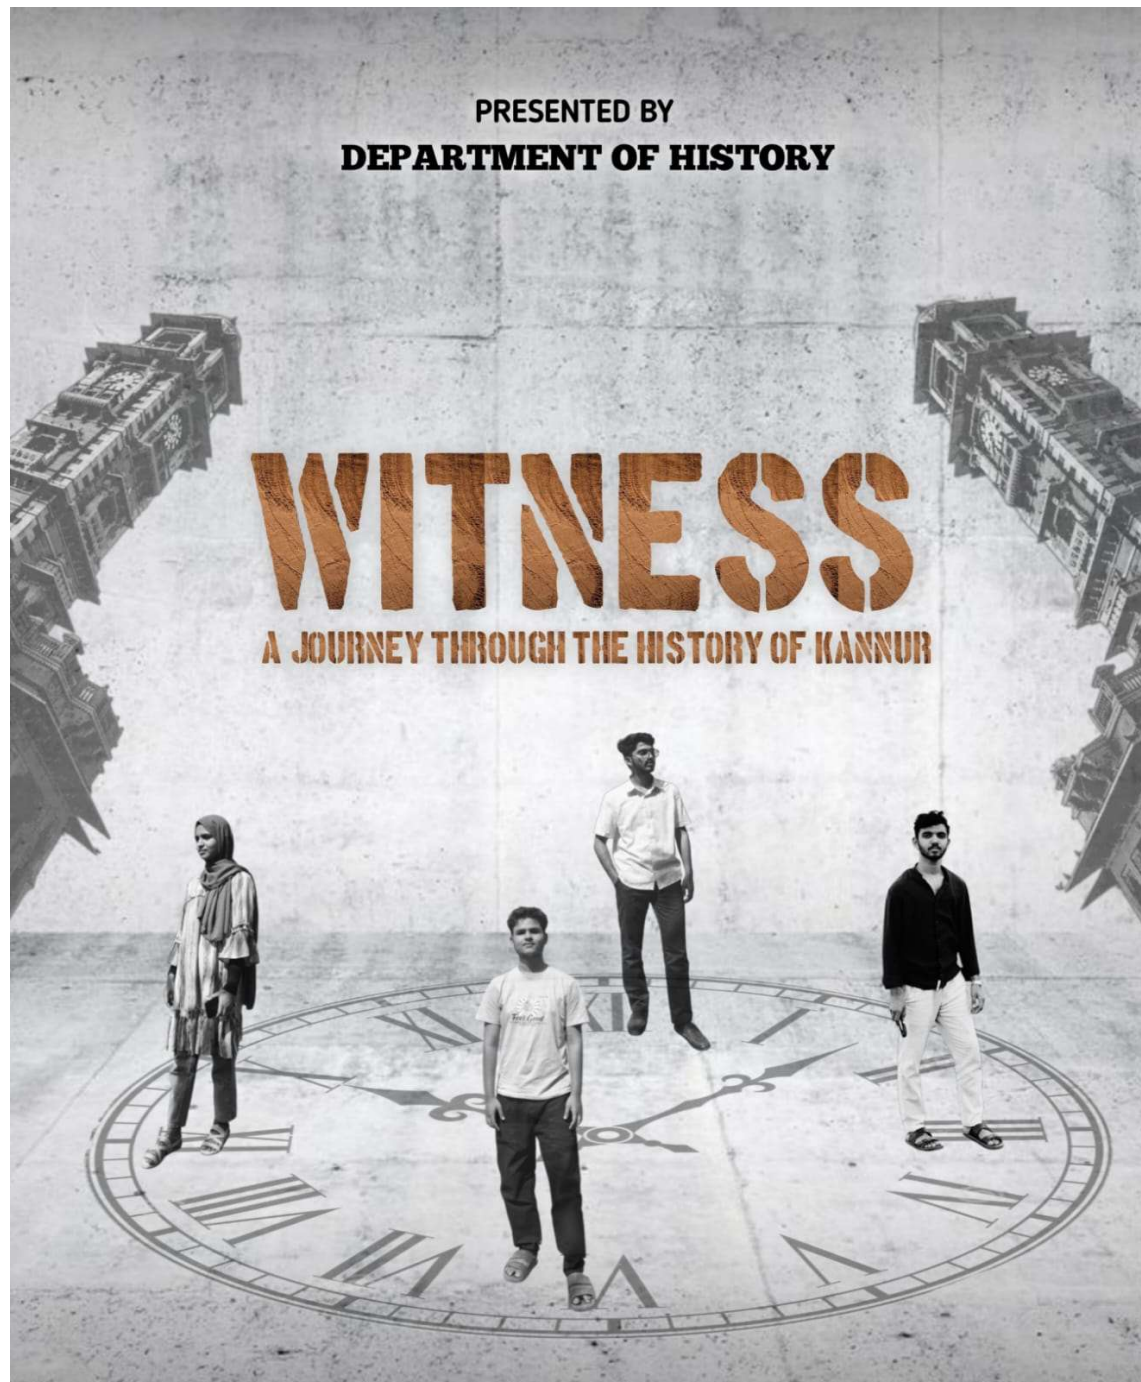

Objectives of the Programme

The primary objective of the programme was to create historical and cultural awareness among students by exploring the rich heritage sites of Kannur. It also aimed to encourage interdisciplinary collaboration by involving students from various departments, fostering teamwork and shared learning. By presenting history through a documentary format, the initiative provided a visual and immersive learning experience that extended beyond conventional textbooks. Additionally, the project sought to develop students' creative and research skills through the process of documentary-making. The programme also served as a platform to enhance students' presentation and communication abilities, promoting active engagement in academic activities.

Outcomes of the Programme

The programme enabled students to gain a deeper understanding of the historical significance of Kannur's heritage sites, enriching their academic perspective. It promoted active learning and critical thinking by utilizing visual media as a powerful educational tool. The collaborative nature of the documentary project fostered teamwork and creativity among students from different departments,

highlighting the value of interdisciplinary efforts. Furthermore, the initiative enhanced student engagement and participation, encouraging them to take an active role in academic activities.
